Course notes

+ 5 = 5 private tuition lessons in addition to main language lessons in a week

Languages for Life Programme: These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills.

Standard Programme: Ideal for all age groups (16 yrs +) and all ability levels.

Combined Programme: 20 + 5 = 20 group lessons plus 5 private tuition lessons per week

or **Combined Programme Plus:** 20 + 10 = 20 group lessons plus 10 private tuition lessons per week

Combined Programmes are perfect for students and adults looking for the camaraderie of the group programme and the personal attention of private one-to-one lessons.

Work Experience Programme: Includes 4 weeks language programme (Combined Course) + 4 weeks work placement or 8 weeks language programme (Combined Course) + 8 weeks work placement: placement service and on going support. Contact the office for course details. Placement fee/4 wks: £388.00 8 wks: Free of charge

Italian & Diving Programme: Combine your Italian studies with 2 afternoon dives per week, organised by a local professional diving club. No prior diving experience required, but PADI knowledge preferred. Good general health and swimming ability essential.

Italian & Singing Programme: In addition to your Italian, follow beginner or professional voice training classes, 3 afternoons a week. Voice techniques, interpretation of Italian Opera & breathing emission are covered with a professional voice tutor.

Italian & Ceramics Programme: Work in a typical Sorrentine ceramics studio, learning the techniques of working, decorating and baking clay, 3 times a week, in addition to your Italian studies.

Italian & Cookery Programme: Discover the dishes of the Campania region, on an Italian gastronomic tour. Each course creates a full meal in it's own right, 3 afternoons a week in addition to your Italian studies.

NB: Programmes S4 to S7 also include two excursions per week, according to the college schedule. A minimum of 4 students is required for the Diving, Singing, Ceramics or Cookery courses to run. The college always aims to form small groups for the additional classes, but will run a programme even if there is just one student booked on the activity. Accommodation at additional cost.

Over 50's Programme: This special two week course is aimed exclusively at older students who wish to follow a programme with their peer group. Run twice a year, the course includes a Standard group course (if there are enough students of your age, at your level with your peers) with activities; tour of Sorrento, excursions to Capri, Pompei, Amalfi Coast or Naples; two afternoons of school activities i.e. Italian film and class cultural lessons, visit to Lemocello Factory followed by a tasting session; learn how to make your own Gelato and a typical Sorrentine Cookery class.

Private Tuition: 10/20/30 private one-to-one lessons per week with private tutors. Maximum impact and course intensity.

Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills.

LINK Programme: Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!
