Course notes

Languages for Life Programmes: These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break.

Standard Programme: Ideal for all age groups (17 yrs +) and all ability levels.

Intensive Programme: As Standard Programme, but with additional lessons to further enhance the learning process.

Only offered from June/September each year.

It there is only one student in a language level, they will be offered Combined Programme One, instead.

Combined Programme: 20 group lessons per week + 5 or 10 private tuition lessons

Spanish for Teachers: 8/14 participants per class. Ideal for those teachers who wish to extend and

update their knowledge of language teaching over an intensive 2 week programme.

DELE Preparation: 20 + 10 lessons a week, students can sit the exam at San Sebastian. Exam dates are

held in May, August & November. Exact dates announced in Jan, each year. Exam fees are not included in the course fees. Please ask CESA for exam fees.

It there is only one student in a language level, they will be offered Combined Programme One, instead.

Executive Programme: 40 one to one lessons, lunch with the teacher Monday, Tuesday, Wednesday, Friday,

dinner with the teacher on Thursday.

Spanish & Surfing: Standard group course plus one hour a day lessons, Monday to Friday. All materials are provided (board, wetsuit, insurance,

hot showers in the Winter). Very popular course option, please book well in advance, especially for summer months.

Work Experience: Follow a 13 week group programme followed by a 13 or 26 week work placements in a local company.

Only suitable for those with good Spanish ability and better suited to Uni+ students. The college orientates you, reviews your CV

and presentation letter and arranged the introductions to suitable companies, once you are in San Sebastian and is on hand

throughout your stay.

Private Tuition: 20/25/30 private one-to-one or two to two lessons per week with private tutors. Maximum impact and course intensity.

Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business

presentation or a new job, or concentration on communication skills. Two to one students must be the same level.

LINK Programme: Why not study in two or three locations? You can study for two weeks (or more) in each college

on a LINK Programme. Please ask the CESA staff for suggestions!

Accommodation notes:

share other apartment facilities. A deposit of 150 Euro will be required on arrival (may increase during the year).
