

Cologne 2027

After years of teaching experience in Munich, the Cologne sister school opened 10 years ago, caters for ALL linguistic needs, can prepare students for the "telc" and "TestDaF" exams, providing an excellent study environment. The school appeals to short and long term students, including exam preparation students (catering for 50/75 students in any one month).

A tram ride of just 10 minutes will take you to the Rhine, the cathedral and the historical old part of town with numerous monuments from the Roman and medieval ages. The school is located in a traditional townhouse and has 7 classrooms, a kitchen and student lounge area.

You will follow a carefully designed syllabus training you in German grammar, sentence structures, expanding your vocabulary and of course improving your oral communication. You can practice your spoken skills in the classroom through role playing, language learning games and discussions, but you will also have the chance to do so out of class, whilst in the city interacting with German people and exploring Cologne.

Cologne is a modern, lively and cosmopolitan city: hub of its well-known universities, its reputable broadcasting centres and TV production companies as well as trade fairs. There are numerous flea markets, the philharmonic orchestra and a variety of parks in which to relax. It also hosts the Cologne Carnival, which attracts more than one million visitors each February.

Cologne 2027

CESA
Languages Abroad

Marie: Standard Course

My son and two friends went to Cologne together. "The classes were well structured and the boys returned with a much better command of the language and much more confident in their ability to converse. I would highly recommend this programme and as parents we are so glad that the lads had the opportunity to attend such a great school."

Emerson: Languages for Life

"I studied German in Cologne for a year and had a fantastic experience. The teachers and the entire team are very friendly, helpful, and professional. The atmosphere was always pleasant and supportive. I highly recommend the school."
