# Faro 2019

**CESA**  
Languages Abroad

### Theresa : Languages for Life

"The staff were sweet, the teaching was great and the end result was I could speak far better Portuguese than I ever expected. I loved Faro, a beautiful city and I made some great friends at the college. Thanks CESA for an incredible experience – definitely the best thing I've done to date!"

### Jeremy: Private Tuition

"The focus and effort by my tutors made for a demanding course, which was precisely what I wanted. I was extremely pleased with their willingness to ensure I got the most from my lessons and I made excellent progress over two weeks. Once work commitments allow, I plan to return to continue my studies. There's no doubt in my mind that the concentrated course in Portugal was more beneficial to me than an elongated course in the UK."

### CESA Plus Points:

#### Faro:

Fantastic weather, great food, fado music, history and wonderful nightlife & all on the banks of the Ria Formosa ~ an interesting history and the feel of a true Portuguese fishing port ~ only a small part of the Cidade Velha (Old Town) remains post the 18<sup>th</sup> c. earthquake, yet there are still some great sightseeing opportunities, mostly centred in the old town, entered through an 18th c. gate and enclosed by the remnants of mediaeval walls ~ narrow streets, a cathedral (with an impressive, elaborate interior) ~ take one of the ferries from the pier across the lagoon to the wonderful beaches of Faro island.

#### Faro College:

Good range of high quality language course options ~ ideal for adults & students year round ~ Excellent private tuition ~ Focused on course quality, ideal for students of all ages who want to be challenged and reap the rewards of their efforts.
