

## Munich 2024

With over 30 years of teaching experience the Munich college, caters for ALL linguistic needs, can prepare students for the "Zertifikat Deutsch" & telc exams and provides an excellent study environment. German language courses concentrate on developing detailed general language skills. The college is particularly good for Languages for Life and Private Tuition students and has proved very popular with past CESA students.

The college consists of 10 cheerful, bright classrooms with a student's library, free internet access and a cafeteria, with a fully equipped kitchen, a popular hang-out during the breaks and a great place for students and teachers to chat together. The social programme consists of three different activities per week (varying week to week). The college building is just a short walk from Marienplatz, the Alter Hof (the original royal residence) and the world-famous Hofbräuhaus and the Englischer Garten.

With a strong cultural scene, fabulous art collections and great shopping, the city, also home of BMW cars and centre of the German film industry, has plenty to offer. From warm summers relaxing in garden restaurants, to snowy winters exploring romantic Christmas markets, Munich is a city to visit and enjoy all year round.

## Niall: Standard Course

"I enjoyed the course a lot. Found the classes very interesting and very helpful, and my German has improved greatly. All the people, teachers, students etc. are very friendly and I have had no problems and a lot of fun. I enjoyed my experience and would definitely stay longer if I could. I would and I will recommend this course to people when I go back to Ireland."

## Begona: 6 wks Standard Course

"I've learnt more in Munich during six weeks than at home during 18 months. I've had three teachers, the three of them wonderful. Participating was really easy and they were always willing to answer any question. I've also met many interesting people from all over the world and made good friendship with many of them. It's been an unforgettable experience."

## Mr Shaw: Group Course (20)

"I would recommend the school to anyone without hesitation. The instructors are excellent. The facility is comfortable, clean and inviting. Everyone at the school is approachable and helpful. This is a well-managed school, which will ensure that any motivated student will achieve a good result."
