Matteo: Academic Year

“Being away from home is difficult for some people but I figured that the more I travelled the greater sense of independence I developed. Spending time in a different culture really does act as a launch pad for personal development. By the time I finished the course I feel more self-confident and mature in so many ways – interpersonal and communication skills.”

Daisy: Standard Course

“I felt at ease straight away, despite the obvious nerves, the staff and teachers were welcoming and helpful at all times. The best part of the language course were decidedly the friends I made but also of course the growing awareness of an affinity with the language. All lessons are completed in Italian, so within a week you feel you’ve been fully immersed.”
