With over 20 years of teaching experience, and between 30/100 students studying each month the college in Viareggio offers a wonderful language learning environment for ALL linguistic levels, by the beach.

Viareggio is one of the largest beach resorts in Tuscany and is well known for its art deco style architecture. The name Viareggio comes from the word "Via Regia" which means the King's Road. Viareggio has wide, endless golden sandy beaches, excellent cuisine and exciting nightlife with its well-known "Versilian" discos, at their best during the lively summer months. Beach lovers will enjoy the long seafront beaches and green gardens with palms, oleanders, and tamarisks. The more active can enjoy sailing and mountain biking, but many prefer the quieter pursuits of sunbathing and swimming!

The climate is very warm in the summer, with temperatures reaching 30°C, and mild in the winter, dropping to 10°C, which gives the college a year-round appeal, though inevitably, it is the summer months that draws the majority of students.

Viareggio is within easy reach of Pisa (less than 15 km away), Florence, Siena and Lucca, so if you want to soak up some culture during your time in Italy, there is always plenty to do and see.

Ellie: Standard Course

"Loved studying in this small but smart town. Truly charming; hot sun, barely there suits, and laid back holiday state of mind. Fascinated by the beaches which are run by beach clubs, you rent a chair/umbrella and you have a spot all day. Each club marks off their area of the beach for their customers – not cheap so most students head for the public beach (without the luxuries)!"

Julia: Standard Course

"Grammar and conversation lessons in the mornings worked well for me, leaving me (and others) free to beach in the afternoons! My Italian improved (mostly conversational skills... on the beach, in the bars and in restaurants). Favourite memories, grabbing a 'gelato' heading back from the beach with college friends, then going out to walk the promenade searching for the perfect place to grab food each evening. Chatting with friends and people watching, munching on free olives and peanuts, before fish for dinner. Heaven!"
