

Buenos Aires 2024

Located in the east of Argentina, beside the Rio de la Plata and surrounded by the Pampas (flat lands), Buenos Aires is a 24/7 city, with wide boulevards, leafy parks, amazing buildings and a great nightlife. There are countless art galleries, theatres, museums & restaurants, but it is Eva Perón, tango and football, for which the city is famed.

The college is well located in the city centre, based in a historic building, with a bright modern interior, just one block from the nearest metro stop, close to the Plaza de Mayo and the Obelisk. Hosting around 80 students each month the college offers a friendly language learning environment for ALL linguistic needs from beginner to advanced learner. There are 14 classrooms, two common rooms, with free WiFi. With classes throughout the year, students are assured personal attention.

The college is very popular for long term courses, as are the Spanish & Tango classes. Whilst students following short courses for career, academic or personal reasons are also well catered for.

Languages Abroad

Gabriella: Standard Course

"I enjoyed learning Spanish a lot. It was always fun and I learned a lot. The teachers are great and take their instructions seriously. I would recommend this school to anybody else!"

Robert: Standard Course

"A great school, very well organized, good location, with all facilities close by and BA's underground railway, the Subte, an easy 5 to 10-minute walk away. Both staff and teachers are friendly and helpful, entry-level of the students is carefully evaluated and changes are always possible. I absolutely recommend them, if you want to learn Spanish as it is spoken in Argentina and South America."

Jess: Languages for Life

"For anyone who gets the chance to just pack their bag and go on a Spanish language course in Buenos Aires I say please do it. You won't regret it!"
