Jo: Easter A' level Revision Course

"The lessons were well presented and I felt I could talk to my teacher if I was confused at any point. Studying with really good native French speakers, who really knew their stuff was so helpful to me. Linguistically my speaking improved so much and I now feel a lot more confident in speaking French and my understanding of French. We were able to cover a lot of grammar and topic related work. The school was so nice and the staff were to my surprise really approachable."

Darren : Languages for Life

"Twelve weeks just flew by and my French (which was rusty GCSE) has improved so much. Loved the college and adore Nice – already longing to go back!"

Ms Rankin: Over 50 Course

"I felt CESA offered me excellent assistance, efficient email and phone information and good advice. I have already recommended the French language course in Nice, and I would go again. Maybe it's a long time since I have been in a classroom, but I loved every minute of it. What more could I ask!"
