With 30 years+ of teaching experience, and between 30/200 students studying each month the Salamanca college offers a study environment for ALL linguistic needs, from beginner through to the advanced learner, every month.

Salamanca is a historic town, home to one of the oldest universities, the beautiful baroque Plaza Mayor and two cathedrals – but it's also a dynamic place home to thousands of students, with a lively night life and restaurants, bars & cafes galore.

The school is located in a modern building in the historic part of the city of Salamanca, just a few steps away from the Plaza Mayor (the main square). It is a quiet area, but very close to the main city attractions. The building has good facilities, seven comfortable classrooms equipped with digital white boards, a student lounge, and a multi-use room for cultural activities.

Spanish language courses on offer include general language courses & DELE preparation. The college really suits students and adults looking to improve their Spanish be it for career, academic or personal reasons.

Fay: Standard Course

"I wanted to do the course to improve my Spanish a little and meet new people. I learnt much more than I thought was possible in a week. The style of teaching was more interesting than I had hoped for and the teachers were all brilliant and used many different teaching techniques. I was also pleasantly surprised by the vast range of people of different nationalities, meaning I only communicated in Spanish!"

Tom: Languages for Life

"What a great 3 months! Great people, excellent school and Salamanca was just amazing. I found that everyone enjoys a very active social life. People go out for dinner, to the cinema, go to bars and clubs or just sit and watch the world go by in a café on the Plaza Mayor... just amazing. I'd feared it would be all work and no play, but actually it was the best experience I've had to
