

Salamanca 2026

With 25 years+ of teaching experience, and between 40/120 students studying each month the Salamanca college offers a study environment for ALL linguistic needs, from beginner through to the advanced learner, every month.

Salamanca is a historic town, home to one of the oldest universities, the beautiful baroque Plaza Mayor and two cathedrals – but it's also a dynamic place home to thousands of students, with a lively night life and restaurants, bars & cafes galore.

The school is located approx. 5 minutes' walk from Plaza Mayor (the main square), in a modern building. It is in a quiet area, yet close to the main city attractions. The building has great facilities; 23 air-conditioned classrooms, a student lounge, a library, a conference room and a kitchen for cookery lessons.

Spanish language courses on offer include general language courses & DELE preparation. The college really suits students and adults looking to improve their Spanish be it for career, academic or personal reasons.
