

Tours 2021

With 26 years+ teaching experience the Tours college offers a wonderful study environment to suit ALL linguistic needs and VERY small group classes.

The school is in the heart of Tours in the lively old town with its 15th century homes and plenty of cafes. It occupies a beautifully renovated and elegant 18th century building. From the classroom window you can admire the Charlemagne tower, one of the town's oldest monuments. The school provides the perfect environment for adult students interested in serious study in small groups and caters for between 25 and 60 students each month. Situated on three floors, the college comprises of 10 classrooms for group study with additional smaller rooms for private tuition lessons. During the summer, students can relax on the rooftop terrace.

At its busiest during the warmer months of the year, students are well advised to book early for the summer programmes. Whilst the average age drops during the summer period, for most of the year the average student age is 35yrs old, and the Over 50s are well represented!

Mr Wong: Summer Course

"I expected that I would improve my French to a certain extent. I also expected to learn something new, that I hadn't learnt at school before. My expectations were definitely met. The lessons were really good. My teacher was very nice. The students were attentive and there were lots of discussions, which was good. The location of the school was excellent. The staff at the school were very friendly. The best parts of the course were the discussions in class, especially when students participated a lot. I would definitely go to Tours again and I'd recommend others to go."

Serena Grigg: Mini Group Course

"I particularly loved the course structure at the college, the small groups, the personal contact and the fact that it was adults studying together (nothing wrong with 17yr olds, but now I'm in my 50's I'd rather study with other adults!). I'm sure that all the other students felt the same way as me, certainly everyone in the college was a pleasure to know. I'd like to say a huge "Thank You" to the teachers and my class mates for making my time in France such a positive, instructive and fun time."
