

## Rouen 2021

The French language school in Rouen offers a wealth of French courses to suit all needs, from long-term courses to the intensive Private tuition courses and a range of French & Culture/Cookery Courses. For those students that can speak French and want to prove it there is the DELF exam course. Located on the River Seine near the coast, Rouen was a regional capital during Roman times and France's second greatest city in the Middle Ages

Established in 1992, the year round French language school is housed in a modern building on the left bank of the River Seine, with its own car park and courtyard. The school is bright and airy and located just 30 mins from the centre of the old town. With 12 classrooms, the language school accommodates group courses and smaller intensive group and one-to-one classes. There is a small library and audio visual material including CDs and DVDs available for students and a resource centre with 10 computers for student use, with free WiFi access. The school caters for 55 to 170 students each month, and is at its busiest from May to October.

The school suits adult language learners, aged 18yrs+ and is particularly good for short refresher courses and Languages for Life courses.

**Charlie: Standard Course**

“The staff were welcoming and the teachers were enthusiastic, adapting the course to suit the needs of the group and really helped us to make good progress. The city was great (much nicer than I’d expected) and my hosts were great too and only a 20 minute walk from the language school. A good 3 weeks course, that really helped me improve my French.”

**Giacomo: Standard Course**

“I was there 2 weeks in September and I loved it! The teachers helped a lot when I had problems to understand and then it was really easy for me to follow. It was always very funny and the other people working there were always nice and friendly. We had a great time and we did trips to other places in the region. Very, very beautiful! I had a wonderful experience and I will only go back there to continue to learn French!”
