

Cadiz 2026

Cadiz, the capital of the province of the same name, is said to be the oldest city in Western Europe. Its history, culture, gastronomy and beaches make it a wonderful destination. Cadiz is a peninsula and there is only one bridge and one road that link it to the rest of the Spanish peninsula. The colours in Cadiz are unique and the sunsets are breathtaking.

With many years of teaching experience, and between 35/120 students studying each month, the Cadiz college offers a relaxing language learning environment for ALL linguistic needs from beginner to advanced learner (a min. of 8 language levels are offered each month). The school is just a stone cast from the beach in the area of Bahia Blanca, a residential and commercial district just next step to the historical centre. It is furnished with high quality equipment and furniture and is located in the ground and first floors of a modern and spacious block. The facilities include 8 classrooms (with air-con), free wi-fi access, a multimedia room & a library.

The wide range of Spanish language courses on offer include general language courses, DELE preparation and Spanish & Surfing programmes. The college really suits Gap Year and graduate students and adults looking to improve their Spanish; be it for career, academic or personal reasons.

Marc : Standard Course

"The small school environment worked well for me. After 2 weeks my conversational Spanish had really picked up. The staff were friendly and helpful. Cadiz is beautiful. Really authentically Spanish. A nice holiday course, plenty of sun and intellectually stimulating too!"

Louise : Standard Course

"I was nervous to begin with, but once I'd got used to everyone speaking in Spanish to me ALL the time (!!!) my nerves went away. Having to use Spanish every day was testing, but by the end of the month speaking and listening in Spanish became quite normal for me. The other students, whatever their age, were so friendly and enthusiastic about learning Spanish that it pulled you along too, even on the days when the grammar seemed difficult to cope with! We all helped each other. I loved Cadiz, the fabulous weather, the beautiful beaches and the lovely old buildings. It was really charming. I hope to come back next year, if I can."
