With over 7 years of teaching experience, and between 45 /130 students studying each month the Playa del Carmen college offers a wonderfully laid-back study environment, catering for all language levels.

Playa is famed for its beaches, the local diving opportunities, its night life and the nearby Mayan temples. It's easily accessible just forty miles south of Cancun, on the Yucatán Peninsula in Mexico. It is very much a holiday destination attracting US and European visitors as well as Mexicans. Everyone enjoys the relaxed feel to the area, the beautiful weather, the white sand beaches and turquoise sea and the wide variety of bars and restaurants to suit all tastes.

The college is located just a few blocks back from the beach, above Quinta Avenida, in a colonial style house, with 10 classrooms (with air con), a study room, internet access, cafeteria, on site student apartments and a private garden with outside bar.

Spanish language courses on offer include general language courses & Spanish & Activity options. The college primarily attracts students (18yrs+) and young adults looking to improve their Spanish, be it for career, academic or personal reasons.

Maddy: Standard Course

"The staff are friendly, keen to help and they never make you feel rushed! The school has a great position, really in the middle of everything. Playa del Carmen has beautiful weather and the beaches here are truly fantastic. The white soft sand never gets hot, so you won't burn your feet. The turquoise Caribbean Sea is warm and clear. The beach is the perfect place to kick back after class and enjoy a cool beer and a snooze before the night life gets going!"

Tom: Languages for Life

"What a great time! My Spanish really improved, and I got my PADI Advanced Cert. Great college, amazing people and the diving was awesome. Everyone enjoys a very active social life. The dance clubs weren't my thing, but other students loved them, I preferred the bars and restaurants. Certainly, one of the best experiences I've had to date. I guess the Cenote diving trip was the highlight for me."
