

Nice 2019

With over 20 years of teaching experience the Nice college offers a wonderful central city study environment to suit ALL linguistic needs from beginner through to the advanced learner (across 7 language levels on general language courses).

Nice is a beautiful & historic city, with a mild climate and hot summers.

The year round college facilities include 16 classrooms (with air-con), a library and internet room with wi-fi, located in a quiet residential street in the heart of the city within easy reach of the old town (with its fantastic Italianate architecture and flower market) and the Promenade des Anglais with its long pebble beaches.

The wide range of French language courses on offer include general language courses, Business courses, DELF preparation, A'level Revision programmes. The college suits every language learner and is particularly good for intensive revision and Languages for Life courses.

Star Courses:

Language for Life, DELF & DALF preparation programmes, Over 50s, A'level Revision & Summer Teenage Courses. Please contact CESA for course specific information.

Jo: Easter A'level Revision Course

"The lessons were well presented and I felt I could talk to my teacher if I was confused at any point. Studying with really good native French speakers, who really knew their stuff was so helpful to me. Linguistically my speaking improved so much and I now feel a lot more confident in speaking French and my understanding of French. We were able to cover a lot of grammar and topic related work. The school was so nice and the staff were to my surprise really approachable."

Darren : Languages for Life

"Twelve weeks just flew by and my French (which was rusty GCSE) has improved so much. Loved the college and adore Nice – already longing to go back!"

Ms Rankin: Over 50s

"I felt CESA offered me excellent assistance, efficient email and phone information and good advice. I have already recommended the French language course in Nice, and I would go again. Maybe it's a long time since I have been in a classroom, but I loved every minute of it. What more could I ask!"
