

## Guadeloupe 2019

### Le Gosier

French language students looking for a different French language course experience will appreciate the delightful town of Le Gosier and its relaxed way of life.

Le Gosier is a friendly town, with a good range of restaurants and cafes to explore. It is home to around 25,000 people and is located just 8 km east, along the coast from Pointe-a-Pitre (12km from the airport). It is renowned for its beaches with pure white sands.

Established in 1994, the French language school is situated in a two-storey building, overlooking the sea, with banks, post office, restaurants, shops all around it, with ready access to several excellent beaches. The language college has 5 classrooms, a library and lounge area. It provides a welcoming, intimate and relaxed study environment. Students have use of free WiFi and there is disabled access.

At its busiest during the warmer months of the year (European winter time), students are advised to book early for the November to end of February period (the school is always at its busiest when Europe is cold and grey!). Students can even try their hand at surfing or kite surfing in addition to a French course. The social programme can include; Creole classes, Caribbean cookery, drama, city tours, hiking, museum visits and trips to nearby islands.

**Angela : French & Surfing**

"I wanted a holiday surfing and to improve my French at the same time... boy was that what I got. The school in Guadeloupe was fantastic, my French improved so much. I loved the surfing in the afternoons. Fantastic French lessons, gorgeous beaches, great weather and fun surfing...Heaven! I really didn't want to come home."

**Anne: Private Tuition**

I was very pleased with my experience in Guadeloupe. My French instructor was excellent; she was extremely knowledgeable and well-prepared, and created a comfortable and fun classroom environment that was conducive to learning. She also tailored specific assignments to meet my learning needs and goals, such as loaning me a short novel by a Haitian writer to read on my own time. After just three weeks of classes at the school, I had advanced significantly (testing at B2, leaving with a level of "utilisateur independant avance").

**James: Private Tuition**

"I really didn't know what to expect from my time in Guadeloupe. I had some unexpected free time and needed some sun - but wanted to work on my French. Paris in January didn't appeal. CESA suggested Guadeloupe and could arrange it quickly - so I went. Small classes, hot tropical weather and a couple of glasses of rum each evening really helped improve my French!"
