

Italian for the Over 50

Sorrento 2020

Would you like to improve your Italian, take a cultural holiday in Sorrento and share the experience with other mature students?

On set dates each year we offer you the chance to practise and improve your Italian in this fabulous town. The programme enables you to explore the Amalfi coast and local sights, with an Italian guide, enjoy a traditional meal and sample some of the amazing southern Italian culture that Sorrento offers.

Course Format:

Two week duration

20 group language lessons per week (mixed age group) plus social programme per week

Max. 12 people per class

Minutes per lesson: 50

Levels: All ability levels

Timetable: Morning timetable plus social programme in the afternoons and some evenings

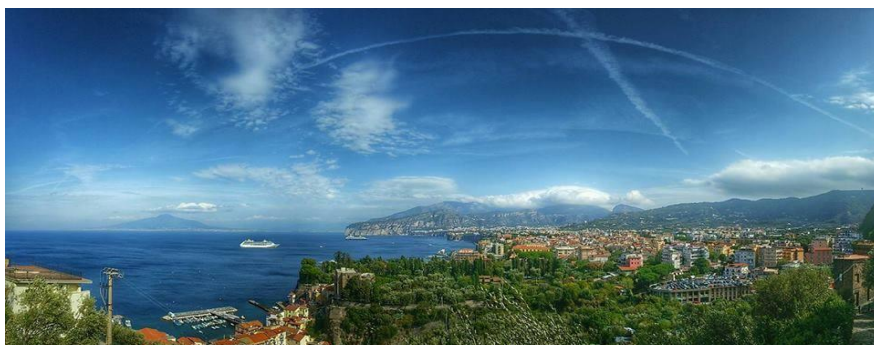

Course Notes

Open to students of all language levels, these courses concentrate on developing general language skills (speaking, listening, reading and writing) and are always held in Italian. These short term Italian courses are aimed at those who need to build on current skills or who want to learn Italian in Sorrento from scratch on an Italian immersion course, with their peers. Older adults are placed in classes together wherever viable, however if necessary a student is placed in a class with a mixed aged group to ensure the language tuition is appropriate for their skill level.

The programme is aimed at those students who wish to share the experience with their peers whilst concentrating on developing their communication skills.

The morning course of Standard Italian Language is designed to improve language and conversational skills, and heighten the awareness and appreciation of the Italian culture.

Classes are in small groups (mixed age group) with the emphasis on oral expression, as well as social and cultural aspects rather than grammar analysis and written skills.

Background information

Founded in 1998, the college is located in the centre of historic Sorrento in a gorgeous 16th century Palazzo. There are 10 classrooms (with air conditioning), a small library, a student room with internet access and it is just a short walk to the beach!

The college appeals to students of all ages, as do the additional classes offered in cookery, singing lessons (with a former tenor of the Teatro San Carlo in Naples), ceramics classes and from May to September, diving lessons are offered with a local Diving Centre.

The staff are very friendly and students love the small college atmosphere, the marvellous climate and the relaxed style of life.
