

ITALIAN CLASSES ABROAD

ON LINE

Grab a tea/coffee, settle in front of your computer
& learn Italian
(how much more Netflix can you watch anyway?)

Why not book a week (or more) of classes on line
& see how the programme works for you?

The teachers are all **native speakers**, based **in Italy**, have **years of experience** of face to face group and private teaching in professional, **accredited language schools** and can offer small group or private tuition in the weeks ahead (ideal for those of us who can't travel to Italy to enjoy the delights of Florence, Rome or Milan etc for ourselves)!

From € 180.00 for 20 group lessons

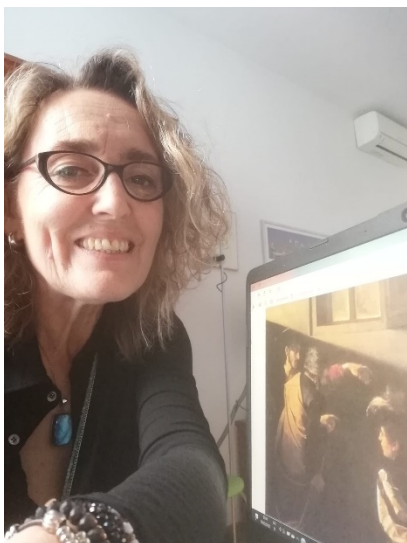

We recommend that you use a computer with a set of headphones (for example, ones you might use with your phone). You can also use a phone or a tablet, but it is not as convenient.

1. Once you are booked in, you will receive a confirmation email.
2. Then, several minutes before the start of your first lesson, you will receive an invitation to join the class.
3. The virtual class programme will ask you to verify your microphone, headphones and webcam.
4. Then you will be a part of the class 😊

Let us know if you have any questions.

ITALIAN: Online Classes

Your Italian teacher will work on all 4 skills: oral production, written production, oral comprehension, written comprehension; and: grammar, vocabulary and pronunciation. You will have; a teacher, a set schedule, with a whiteboard, exercises to do, documents to listen to or read and discussions in Italian, with international students from around the world.

You will be using online video software (Zoom app), to enable you to interact with the teacher and other students, to discuss course content and share authentic documents and videos with your teacher. You will be tested before starting in order to be placed in the right level for you. The course includes written homework: (grammar and vocabulary exercises, reading texts or newspaper articles, written expression, etc.)

All courses given by highly qualified native speaking teachers, highly experienced teaching Italian as a foreign language
