# WHY ONLINE?

## PARENT INFO

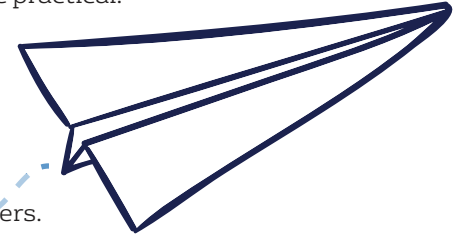

We know you are concerned about your child's progress in Spanish. In many countries, schools had to close their doors temporarily and therefore lots of students have not been able to catch up with their classes. That's why we decided to offer our **Summer Course Online**.

You may also be worried about **distance learning** but technology actually helps our teachers to make **classes more engaging** for students, especially the younger ones. As you know teenagers learn more when they are **entertained** and when classes are fun and more practical.

## WHY THE SAN SEBASTIAN SCHOOL?

- **Small classes** (3 to 10 students per group) facilitate close student relationships and personalized teacher attention.
