

FRENCH CLASSES ABROAD

ON LINE

Grab a tea/coffee, settle in front of your computer
& learn French
(how much more Netflix can you watch this anyway?)

Why not book a week (or more) of classes on line
& see how the programme works for you?

The teachers are all **native speakers**, based **in France**, have **years of experience** of face to face group and private teaching in professional, **accredited language schools** and can offer small group or private tuition in the weeks ahead (until we can once again travel to France and enjoy the delights of the Riviera, the Loire and Paris etc for ourselves)!

From € 100.00 for group lessons

We recommend that you use a computer with a set of headphones (for example, ones you might use with your phone). You can also use a phone or a tablet, but it is not as convenient.

1. Once you are booked in, you will receive a confirmation email.
2. Then, several minutes before the start of your first lesson, you will receive an invitation to join the virtual class.
3. The virtual class program will ask you to verify your microphone, headphones and webcam.
4. Then you will be a part of the class 😊

Let us know if you have any questions.
