

## Sorrento 2021

Sorrento is one of Italy's most well-established resorts: relaxed, picturesque and sunny. Its location, on one of the most beautiful stretches of Italian coastline, has long made it a favourite with Italians. The town has ancient origins and an attractive historic centre, but today Sorrento is essentially a modern resort that makes a bustling base for exploring some of Italy's finest sights: Pompeii, Naples and Herculaneum.

With over 10 years of teaching experience, and between 20/75 students studying each month the college in Sorrento offers a relaxed and informal language learning environment for ALL linguistic needs, in a beautiful coastal location.

Looking north over the Bay of Naples, Sorrento stands on 150ft cliffs, perching high above the boats and beaches of the Bay, and is a short hydrofoil trip to Capri or Ischia.

Centrally located the college is housed in a 16<sup>th</sup> century palazzo. Facilities include 10 classrooms (with air con), free internet access, computer lab and a fabulous roof terrace.

The college offers general Italian language courses throughout the year including; Over 50 courses, plus Italian & Activity courses; (diving, singing, ceramic and cookery). Whether you have just a week or two, or several months to dedicate to your studies, Sorrento has plenty to offer.

### Isobel: Languages for Life

"As it turned out, by the end of the course I felt I'd made huge progress – the level I reached was well beyond my initial expectations. The teachers were fantastic, and I feel I formed some good relationships with them during my time there. The school was in a good position, easily accessible from the main square. The best part of the course was the teachers and the opportunity to socialise outside of the college."

### Gabriella: Standard Course

"My vocabulary improved dramatically, and I met lots of brilliant people and generally had a fabulous time. The lessons worked well for me, as the structure was similar to lessons in the UK. There were materials for us to look at and listening exercises and the teachers worked hard to vary the class structure. The teachers were all brilliant and very friendly; a few in particular were very funny whilst also being able to teach!"

### Mr Hartley: Private Tuition

"Sorrento is small and beautiful. The college staff are friendly and always helpful. I felt relaxed and could really concentrate on my Italian. Thanks for a great experience."

### CESA Plus Points:

#### Sorrento:

Sorrento has inspired poets & painters for centuries - Byron, Keats and Dickens all came here on Grand Tours. ~ it's the home of Pizza ~ there are two town beaches; "Marina Piccola" reached by steps or a lift & a sandy beach "Marina Grande" 15 minutes' walk from the town centre ~ the "Circumvesuviana" (a train) links Sorrento to Naples and Pompeii, & hydrofoils run from Sorrento to Naples & the islands of Capri and Ischia ~ a mild climate makes it a popular year round destination and VERY busy (& hot) in the summer.

#### Sorrento College:

Good quality language courses to suit a range of personal & linguistic needs ~ ideal for adults looking for intensive tuition or a great language holiday ~ excursions are offered to Capri, Pompeii, Naples & the Amalfi coast ~ visits to Limoncello and Ice Cream factories ~ wonderful central location ~ cultural courses & boat trips ~ personal service & caring atmosphere.
