Student Report

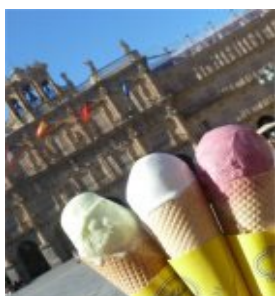

Eliza / 3 weeks on the Teenage Course

"I learned a lot of Spanish as well as making many friends from all over the world. The lessons at the school in Salamanca were in general very good. I loved how the classes were in the afternoon, allowing us to do activities in the morning. The teachers were very good and I got to know them well.

The best and unexpected aspect of my course was the city itself. I loved it. Everything ran smoothly and seemed extremely organised. Salamanca was perfect, I was able to talk a lot in Spanish and always felt safe in the day and at night.

My host family were welcoming and extremely chatty. Their apartment was 5 minutes from the school which was great walking distance.

I would definitely recommend this CESA course to other students. I would definitely go again as well as recommend it to others. I loved how many friends I made and how much Spanish I learned."
