Student Quote: Georgia

I had a fantastic time on the course. I really felt that my confidence has hugely improved especially when speaking Spanish. The teachers were great and extremely friendly, approachable and most of all inspiring.

My hostess was welcoming and kind, she was always there to talk to and give help and advice if I needed it. I felt that not only did I return feeling a lot more confident with my Spanish but I had experienced a wonderful taste of Spanish life. I would highly recommend others to go as it really builds your confidence with the Spanish language.
