

Berlin 2024

With over 25 years of teaching experience the Berlin college offers a fabulous study environment to suit ALL linguistic needs from beginner through to the advanced learner (across 6+ language levels on general language courses).

Situated in the popular Prenzlauer Berg district, the college has its own self-contained campus site. The historic buildings have been refurbished and are home to 40 classrooms, a cafe, a restaurant & book store, private gardens and a range of campus studios. All Berlin is within easy reach, with a wealth of shops, cafes & cinemas nearby, and the college is just a few km from Brandenburger Tor, the Reichstag, the Checkpoint Charlie museum and Potsdamer Platz.

There are an excellent range of German language courses on offer to suit general language, business language and personal needs. Students can prepare for the "Zertifikat Deutsch" and other German language exams. The college suits every language learner and is particularly good for intensive revision and Languages for Life courses.

Geraldine: Standard Course

"The mix of lessons and homework put a focus on the learning of German without taking too much time away from enjoying the Berlin experience and the school activities. A perfect balance, I was delighted

Jack: Languages for Life

"The lessons were good and the teaching effective yet informal. Lessons consisted of discussions where student contribution was encouraged, exercises to develop hearing, writing, reading and writing skills were good. Overall it was excellent. Other students as well as the staff were forthcoming and friendly."
