

Madrid 2025

With many years of teaching experience, and between 50/100 students studying each month the Madrid college offers a fabulous language learning environment for ALL linguistic needs from beginner to advanced learner (and to a wide range of ages as well). Madrid is a vibrant city with plenty to see and do, day and night, year round and is a firm favourite with CESA language students.

The Spanish school in Madrid is in a modern town house in the Salamanca district 20 minutes by metro from Puerto del Sol, one of the busiest places in Madrid. It is just a few minutes' walk from Retiro Park and the Prado Museum.

Students love the friendly atmosphere at the School. Facilities include 11 classrooms, some with a TV, video and audio machines. There are computers available for students to use and Wifi throughout. The college teachers are all native speakers of Spanish, with University degrees, who specialise in teaching Spanish as a second language.

The college has proved very popular with students requiring longer term courses or preparing for the Spanish SIELE or DELE exams and short courses for career, academic or personal reasons are also catered for with a great range of course options.
