

Over 50 Italian course

Rome 2025

Would you like to improve your Italian, take a cultural holiday in Rome and share the experience with other mature students?

On set dates each Spring and Autumn we offer you the chance to practise and improve your Italian with other adult students. The programme also enables you to explore the city with an Italian guide and sample the wines, enjoy a traditional meal and tour some of the amazing churches and museums that Rome offers.

Course Format:

One or two week duration

20 group language lessons per week (mixed age group) plus social programme per week

Max. 14 people per class

Levels: All ability levels

Timetable: Morning timetable plus social programme in the afternoons and some evenings

Course Notes

Open to students of all language levels, these courses concentrate on developing general language skills (speaking, listening, reading and writing) and are always held in Italian. These short-term Italian courses are aimed at those who need to build on current skills or who want to learn Italian in Rome, from scratch on an Italian immersion course, with their peers. Older adults are placed in classes together wherever viable, however if necessary, a student is placed in a class with a mixed aged group to ensure the language tuition is appropriate for their skill level.

The programme is aimed at those students who wish to share the experience with their peers whilst concentrating on developing their communication skills.

The morning course of Standard Italian Language is designed to improve language and conversational skills and heighten the awareness and appreciation of the Italian culture.

Classes are in small groups (mixed age group) with the emphasis on oral expression, as well as social and cultural aspects rather than grammar analysis and written skills.

Background information

With over 38 years of teaching experience, and between 80 /200 students studying each month the college in Rome offers a wonderful language learning environment for ALL linguistic needs in a central city location. Students have easy access to the wonders of the eternal city, the Vatican, the Colosseum, the Forum and the Trevi Fountain.

The artistic and archaeological heritage in the city is quite breath taking. The college is situated in a pedestrian area, just off the Corso Vittorio Emanuele, in a 17th c building. The facilities include 12 classrooms, a student lounge (with internet access) and cafeteria. Rome has plenty to offer the language student. The college requires all their teachers to have university degrees and extensive experience teaching Italian as a Foreign Language.
