#### Is this the course for you?

Yes. If you're looking for fun & total immersion in German.

This dedicated teenager course attracts students of many nationalities. It's so popular places always run out well before the start dates.

The adventure camp (a beautifully restored former hotel) is south of Munich just a short walk from one of the clearest lakes in the German Alps, Lake Spitzingsee. The view is wonderful, looking out of the window you'll see either lake or mountains. There will be plenty of fun after German classes: going hiking, climbing, build a raft or go mountain biking in the Alps. Munich is just 50 km away, and every week there is a guided trip to Munich, to see all the highlights like Olympiastadium, Schloss Nymphenburg and Hofbräuhaus.

#### German Course Content:

Students successfully meeting course objectives will receive a course certificate at the end of the course.

In total there are 40 lessons over 2 weeks (unless a day is lost to a public holiday). This is equal to a term of contact lessons at your school in the UK. Small classes, native speakers, interesting material and a pleasant learning atmosphere all contribute to the learning process.
