Summer Course Timetable

Monday to Friday:

- ~ Classes from 11.20 or 12.50 hrs

There are approx. 30/60 students present each week on the summer course, divided into different language level classes. Students improve general Spanish language skills, practise their Spanish daily, revise grammar structures and pronunciation and address linguistic weaknesses. Tutors are all native speakers who are also professional teachers of Spanish as a foreign language.

A placement test will be arranged to establish your language level.

With over 35 years of teaching experience, and between 180/350 students studying each week over the summer, the Malaga school offers a fabulous campus study environment for ALL linguistic needs from beginner through to the advanced learner (across 4 language levels on Teenage language courses).

The school has modern air-conditioned classrooms, a multi media centre, a cinema room, a purpose built dance studio, a restaurant & bar, a fabulous sun terrace and a small swimming pool, plus on site residence.

NB: The school operates as a year-round centre and does not ONLY offer Teenage Programmes for 15/19 years.

Open to: 15 to 19 yr old students

Is this the course for you?

Yes, if you are a teenager who wants to improve their Spanish!

You get to enjoy the beach and the sun in Malaga, learn Spanish and meet people from all over the world who share your interest!

Malaga is a truly "Spanish" city, set on the Mediterranean coast it has something to please everyone. The city is dynamic by day and night, the seaside promenade is alive with restaurants, pizzerias and cafes and the language school is close to it all, yet set in a quiet residential area perfect for study. It is within easy reach by air from Malaga and greatly appeals to our older teenage students.

In total there are 30 group lessons over 2 weeks (unless a day is lost to a public holiday). This is equal to nearly a term of contact lessons at your school in the UK. The course is a classic combination of language course with a programme of cultural, social and sporting activities and is lots of fun. Class based tuition only takes up half the day (Monday to Friday), so there is plenty of time for excursions, sun-bathing, parties, siestas and of course homework!

Accommodation:

On Site Residence: 16yrs+

The language school has an **on site residence**, giving students access to ALL of the facilities. Please note there will also be adult language students living and studying on site as well.

Set in self-contained grounds; the school is 15 minutes from the centre of Malaga by bus and only 5/7 minutes on foot from the nearest beaches.

The residence offers bedrooms for one, two, three or four students - all equipped with small **en suite shower/WC rooms** (no air conditioning) and **WiFi** access.

Students can purchase their meals as they go (or book and pay in advance). Breakfast is offered on site (Monday/Friday), lunches and evening meals can be purchased on site during the week (not the weekend) but are frequently taken at one of the numerous cafes/restaurants along the promenade.

There are a lot of younger students 16 / 22 years of age in the school during the summer and the campus accommodation comes highly recommended by CESA staff and past Spanish students. Please book early!

Host/ess accommodation: 15yrs+

Students can choose to live with local Spanish couples or hostesses in apartments in and around the eastern residential area of Malaga on a half-board basis (lunch being the main meal of the day). The hosts are generally within a short walk from the college, allow 15/25 minutes. Students are housed in single or shared rooms (with another language student).
